The general responsibilities of the committees are described below. In addition, each committee has prepared a separate document (as approved by the Executive Committee) known as a “Statement of Mission and Responsibilities” (the “Statements”) to further detail the committee’s specific mission, goals and responsibilities. The Statements are not considered part of the Constitution and Bylaws and shall serve as the primary operating guides for the activities of each committee. F. **Young Alumni Committee.** The Young Alumni Committee shall develop programs to familiarize young alumni (generally defined as the most recent fifteen classes) with the purpose, goals and work of the Association and to encourage young alumni involvement and interaction.

G. **Class Achievement Committee.** The Class Achievement Committee shall focus on maximizing the participation level of the School’s alumni classes, as defined by a class’ ongoing relationship with the School (i.e., connectivity, commitment, continuity and financial support). The Committee shall apply a quantitative approach to “measuring” class participation and utilize that data to develop programmed responses to strengthen participation.

VI **Honorary Class Members**

Each alumni class has the option to nominate individuals as honorary members of their class. Historically, honorary class members are selected by classes celebrating major reunions in a particular year, although any class may do so at any time. Alumni, School faculty and staff and friends of the School are eligible to be honorary class members. Individuals may be honorary class members of more than one class, and classes may have more than one honorary class member. The Director of Alumni Relations must be informed of a class’ desire to nominate an individual as an honorary class member. Such nominations must be approved by the officers of the Executive Committee.

VII **Indemnification (Revised April 25, 2016)**

Each Officer of the Association (“Officer”) and each member of the Executive Committee of the Association (“Executive Committee Member”) and each former Officer and Executive
Committee Member thereof, shall be indemnified by the School against reasonable expenses and liabilities, including settlement amounts if the settlement has been approved, in advance, by the Executive Committee of the School Board of Trustees, actually and necessarily incurred by him or her in connection with the defense of any proceeding in which he or she is or may be involved by reason of being or having been an Officer or Executive Committee Member if the Officer or Executive Committee Member acted within the scope of his or her duties and obligations for the Association and/or the School, and acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the School; and with respect to any criminal proceeding, the Officer or Executive Committee Member had no reasonable cause to believe the conduct was unlawful. Any indemnification made pursuant to this Article may be made only upon a determination by the Executive Committee of the School Board of Trustees that the indemnification is proper in the circumstances because the Officer or the Executive Committee Member met the applicable standard of conduct set forth herein. The defense and indemnification may be provided through the School’s insurance policy. If a defense and/or indemnification is not provided under the School’s insurance policy, then in the discretion of the Executive Committee of the School Trustees, expenses incurred by an Officer or Executive Committee Member in connection with a proceeding may be paid in advance of the final disposition of the proceeding as authorized by the Executive Committee of the School Board of Trustees if there is an agreement by or on behalf of the Officer or Executive Committee Member to repay the amount advanced, unless it shall ultimately be determined that the person is entitled to be indemnified, in which case no repayment would be necessary. The indemnification herein provided for shall not limit the discretion of the Executive Committee of the School Board of Trustees to indemnify other non-Officer employees of the Association if the conditions of this Article are satisfied. The definitions of N.J.S. 15A:3-4, as amended, shall apply to this Article.

Appended to these Bylaws is a letter from the School confirming that the Officers and Executive Committee Members are “uncompensated volunteer workers” within the meaning of the School’s Educators Legal Liability insurance policy and the School’s General Liability/Excess Liability insurance policy, and the School intends the Officers and Executive Committee Members to be insured under such policies.

VIII Amendments

The Bylaws may be amended at any meeting of the Executive Committee by a majority vote of the Voting Members, voting in person or by proxy. At least four weeks prior to the date of such meeting, a copy of the proposed amendment(s) shall be sent by mail or email to each member of the Executive Committee.
To the Officers and the Members of the Executive Committee of the Alumni Association of The Lawrenceville School:
