Frequently Asked Questions

How many titles can I borrow?
You can borrow up to **three** titles at a time.

How long can I borrow a book?
Checkouts are **21 days**. When your time is up, your checkout will automatically disappear.

What if I need more time with a title?
**Renew** your title from your shelf under "options" starting three days before it expires, as long as there is no one on the waiting list. You will not have the option to renew if you have sent your book to Kindle. In this case you will need to place a hold and borrow the book again.

Can I return a title early?
Yes! Visit your shelf in the Sora app, click "Options" under the title you'd like to return, and then click "**Return**."

What happens if someone checked out the title I want?
If the title you want is out, **place a hold** to join the waiting list. You will be notified when the title is returned. You may place up to five holds at a time.

What if I can't find the book I want?
If you don't see a book you want to read in our library, **contact a librarian** to submit a request.

How is this different from Libby or Overdrive?
If you use Libby or Overdrive from **your public library**, Sora will look familiar, but it uses a different account. You can add your public library account to Sora, but you will only be able to see that library's Young Adult and Children's titles. Bunn Library purchases adult titles for Sora.

Do you have a different question?
Access Sora's **Help Section** in the main menu for answers to more questions and troubleshooting. Click the three lines at the top right of the app screen and then click "Help."
