

BEST FOR *All* AGREEMENT

THE LAWRENCEVILLE SCHOOL COMMUNITY COMMITMENT

Through House and Harkness, Lawrenceville challenges a diverse community of promising young people to lead lives of learning, integrity, and high purpose. Our mission is to inspire the best in each to seek the best for all. – School Mission Statement

To truly “seek the best for all” in our Lawrenceville community, we must trust, value, support, and respect one another. It is with this in mind that we ask all members of the Lawrenceville community to commit to this “Best for All” Agreement.

Specific COVID-19 expectations and policies are set forth in the Student and Employee Handbooks. The School may change or amend these expectations and policies as circumstances warrant.

Community Commitment

- I recognize that I am part of an interdependent community, and that the actions of each member, mine included, can impact the welfare of all.
- I will do my part to help limit the spread of COVID-19 by making my own health and safety and that of other Lawrentians a priority.
- I will abide by all School expectations and policies, including the COVID-19 sections of the Student or Employee Handbook, and will encourage fellow members of the community to do the same.
- I understand that the School may amend, change, or enact new policies and I will keep myself informed of and follow any new or amended policies.
- I understand that failure to adhere to these policies, including the proper wearing of masks, may result in removal from campus and/or disciplinary action.

Transitional Period

- I will practice a [COVID-cautious](#) lifestyle for 14 days prior to on-campus interactions. This includes strict social distancing, consistent mask-wearing, avoiding unnecessary travel, and refraining from indoor social gatherings.
- I will arrive on campus symptom-free and follow the School’s protocols for submitting a negative COVID-19 test.

Health and Hygiene

- I will maintain, whenever feasible, a distance of six feet from others.
- I will cover my nose and mouth with a mask in all shared community and public spaces, whether on or off campus, and when I am within six feet of someone.
- I will participate in our community’s mandatory COVID-19 testing, symptom tracking, and contact tracing protocols, and will use the School’s designated tools to report this in a timely manner. I will be truthful in such reporting.

- I agree to comply with data collection protocols the School may adapt to enable contact tracing, including using electronic devices to collect proximity data to other members of the School community.
- If I have any symptoms, or am sick, I will stay home and take steps to not spread disease.
- I will follow and practice community hygiene protocols for handwashing, sanitization, and surface cleaning.
- If I test positive for COVID-19 and am required to isolate, or I learn that I have come into close contact with someone who has tested positive or is a person under investigation and am required to quarantine, I will follow Lawrenceville's instructions. This may include remaining in my House or relocating to another space on campus or off campus for a designated number of days (students only).

House and Campus Life

- I will use only my own Lawrenceville identification card when accessing any buildings and spaces on campus.
- I will follow directional signs on pathways and in Houses and academic buildings.
- I will follow community guidelines for meal service and disposal.
- I will observe social distancing within dining halls and all dining service protocols.
- I will follow community guidelines for off-campus travel, meal delivery, and campus visitors.
- I agree not to host or visit another student in a campus room (students only).
- I will stay on the designated floor of my House (students only).
- I will obtain permission from the Dean of Students office before engaging in off-campus, non-School-sponsored activities or travel (students only).
- I will use the designated bathroom assigned to me and will abide by protocols Lawrenceville establishes for hygiene in the use of shared bathrooms (students only).

By signing below, I promise to abide by these practices in public and private, whether on campus or off while School is in session, and I agree to being removed from campus or subject to disciplinary action if I am found in violation of these standards. Additionally, I acknowledge that during this global pandemic, attending School may pose a risk of infection regardless of measures taken by Lawrenceville.
